PROFILE

Hi, my name is Andrew Lentz! I am a front-end web developer. While the bulk of my experience is in JavaScript and its frameworks, I am a quick study and enthusiastic about continuing to learn new technologies.

SKILLS

JavaScript

HTML/CSS, Bootstrap

React/React Native

Unix/Command Line Interfaces

jQuery

Microsoft Office Suite

Node.js

Figma, Adobe XD

Responsive design

Git/Github

EXPERIENCE

Front End Engineer, Big River Web Design, Minneapolis, MN 2015 Present

Designed and coded web pages for a variety of different platforms and needs.

Painter/Construction, Independent Contractor; Minneapolis, MN 2015 2016

Performed high quality work on schedule with little to no supervision.

Crossover Crew Leader, Clean Water Action; Minneapolis, MN 2013 2015

Trained and supervised new employees. Set up shifts for both field and phone canvasses.

EDUCATION

The Iron Yard; Minneapolis, MN October, 2016 January, 2017

Studied front end engineering in an immersive, twelve week course that was JavaScript focused, with a strong emphasis on responsive design.

McNally Smith College of Music, St. Paul, MN 2010 2013

Studied music composition and keyboard performance. Included business and technology classes.
