PROFILE

Hi, my name is Andrew Lentz! I am a front-end web developer. While the bulk of my experience is in JavaScript and its frameworks, I am a quick study and enthusiastic about continuing to learn new technologies.

SKILLS

JavaScript	HTML/CSS, Bootstrap
React/React Native	Unix/Command Line Interfaces
jQuery	Microsoft Office Suite
Node.js	Figma, Adobe XD
Responsive design	Git/Github

EXPERIENCE

Painter/Construction, Independent Contractor; Minneapolis, MN   2015   2016
Performed high quality work on schedule with little to no supervision. Learned new skills frequently and quickly. Met client specifications and assimilated feedback.

Crossover Crew Leader, Clean Water Action; Minneapolis, MN   2013   2015
Trained and supervised new employees. Set up shifts for both field and phone canvasses. Monitored and entered data from which clients were billed.

EDUCATION

The Iron Yard; Minneapolis, MN   October, 2016   January, 2017
Studied front end engineering in an immersive, twelve week course that was JavaScript focused, with a strong emphasis on responsive design. Technologies used include git with a professional workflow, and popular JavaScript frameworks such as jQuery and React.

McNally Smith College of Music, St. Paul, MN   2010   2013
Studied music composition and keyboard performance. Included business and technology classes.
